Verse 1

I will sing of the mercy of Jesus
The name by which all men are saved
Who laid down His life for our ransom
The debt of redemption to pay

Chorus 1

I will sing of the wonder of Jesus
And the cross that He bore for our sin
I will sing of the love
that has conquered the grave
And the day He's returning again

I will sing of the power of Jesus
Through whom all of creation was made
Whose glorious light shines eternal
And chases the darkness away

I will join in the angels' refrain
Lavishing our adoration
On Him with the loveliest name
